American Folk Melody

Land of Rest  
75.75

1. Judg - es are like gods, God says, tasked to do what's good.
2. Weak and or - phaned peo - ple need help a - long the way.
3. Ig - no - rant, mis - un - der - stood, we pass ev' - ry day.
4. Rise up, God, and judge the earth. Like the na - tions past,

Fa - vors shown to wick - ed - ness, vi - o - late their "should."  
They have rights like weal - thy folks. All need to be saved.  
Earth be - neath us shakes so we tot - ter, fall and sway.  
Weal - thy, poor, or wick - ed, good, we all die at last.
