I raise my eyes to morning stars

Verse

Verse

I raise my eyes to morning stars adorning heaven's

throne, as

eyes of servants gaze upon their master's hand alone, and

maids look to their mistresses to guide their every deed, so

13 Em Bm Em Bm7 Em

we look to the Lord our God, his mercy for to plead. Have

mercy, God of Abraham, our neighbors heap their scorn, the

rich hold us in their contempt, the proud deride their own.
