

Psalm 60 We Can Never Be Defeated

Verse

We at - tacked them, bent on con - quest. They de - fen - ded, we went down.
Now you owe us res - to - ra - tion and some ex - tra land to boot.
"Rich e - nough..." there's no such thing, we're the ex - cep - tion to such rules.
We can ne - ver be de - feat - ed, with our for - ces God goes out.
Val - iant - ly we go to ba - ttle, sure that God de - feats our foes.

All we know is that we're blame - less. You, O God have lost some ground.
Our suc - cess, your re - pu - ta - tion. Fill our cof - fers up with loot.
Neigh - bor na - tions are be - night - ed; filled with rap - ists, gangs and fools.
We've known guns since we were lit - tle, folks of co - lor put to rout.
We ad - vance and oth - ers trem - ble from their heads right to their toes.
