

# Psalm 69:14-36 O Help Me, Faithful One

## Verse

O help me, Faith - ful One, I'm stuck some - where I should - n't be.  
I looked for pi - ty, no one cared. They did - n't help at all.  
Though we're all low - ly and in pain, we'll find our end in praise.

6

Ad - dic - tion and af - flic - tion made a mon - key out of me.  
They off - ered junk and fed me some; kept watch and let me fall.  
We'll sing sal - va - tion, hea - ven's gain, e - ter - nal end - less days.

11

The way to my es - cape will close if I don't find it soon.  
I'd like to see them suf - fer, too, but God, that's not your way.  
Op - pressed will see it and be glad. All hearts will be re - vived.

16

So an - swer, res - cue pull me out. If not, then I am doomed.  
You'll bring us all to jus - tice and to e - qui - ty some day.  
The Lord loves ev' - ry - bo - dy and the poor, are not de - spised.
