

# Psalm 72 Prayer for Justice

## Verse

Give jus - tice to all kings, O God, as to a cho - sen one.  
May we, the poor folks' cause, de - fend and crush those who op - press.  
Like rain that falls up - on the earth or show - ers on the grass.  
Blessed be the God of all the earth, who won - drous things has done.

So peo - ple find truth dwells near - by and poor folks fear no one.  
May long life be their lot on earth, Lord, give them no - thing less.  
May right - eous - ness and peace a - bound as bless - ing comes to pass.  
All peo - ple praise your mak - er, who through love has made us one.
