

# Ecclesiastes 10:1-4 Dead Flies

*Verse*

Dead flies make an ointment stink and folly cancels honor's weight.

6  
Wisdom shows you how to think, but fools won't take the time to wait.

11  
There's a way to walk a road, but some folks wander aimlessly.

16  
You can tell by their "going" just where that will lead.

21  
If your boss gets mad, don't move, remain right where you ought to be.

26  
Calm response will win the day, undoing what may have been seen.
