

Psalm 20 Protect Us From Them All

Verse

1. Since not ev' - ry king is no - ble, God, pro tect us from them all.
2. Vic - to - ry is what we need, the ve - ry thing for which we plead.

4

Help us all in times of trou - ble. Hold us up, or else we'll fall.
That's where we will fol - low God, if on - ly you will take the lead.

9

What we've giv - en was in thanks and hope that you would give some back.
Some are proud of wea - pons, wealth and things that will coll - apse and fail.

13

What our hearts de - sire is that we live in plen - ty, ne - ver lack.
We will boast of whom we fol - low. God's the head, and we're the tail.
