

Hosea 1:2-10 Entitlement and Offense

Verse

En - tit - le - ment to sta - tus makes us blind to our off - ense.
When lead - ers trick the peo - ple, bring them ru - in, comes a time,
To make a na - tion great a - gain does not mean go - ing back.
Com - pare your - selves to neigh - bors who en - joy their way of life.
The words "In God We Trust" on coins do not mean God trusts us.

for na - tions to be bro - ken by op - po - nents down the line.
It calls us to re - pent and take a kind - er, gent - ler track.
A mul - ti - eth - nic, mul - ti - lin - gual na - tion free from strife.
To name our - selves U - ni - ted might mean we ad - here like dust.
