

# The Lord's Ship is Waiting in Harbor Today

*Verse*

G C Am D  
The Lord's ship is waiting

Em G D<sup>7</sup> G  
in harbor to day.

C Am D  
A promise He's stating:

Em G D<sup>7</sup> G  
"With you I shall stay."

Em D G  
No conflict, no rancor,

Em Bm G D  
all of one accord,

G C Am D  
His love is the anchor

Em G D<sup>7</sup> G  
for all those on board.

*Verse*

G C Am D  
Appointed, appointed

Em G D<sup>7</sup> G  
to save us below,

C Am D  
Lord Jesus has pointed

Em G D<sup>7</sup> G  
the right way to go.

Em D G  
"Come to me," He's calling

Em Bm G D  
to those who still roam;

G C Am D  
Let there be no stalling -

Em G D<sup>7</sup> G  
He will take us home.

*Verse*

G C Am D  
Though storms rage around us,

Em G D<sup>7</sup> G  
and winds whistle shrill,

C Am D  
His calm voice will ground us;

Em G D<sup>7</sup> G  
He bids, "Peace, be still."

Em D G  
And though light is fading

Em Bm G D  
and waves crash with force,

G C Am D  
With Him navigating

Em G D<sup>7</sup> G  
we will stay on course.

*Verse*

G C Am D  
Eternal salvation

Em G D<sup>7</sup> G  
Lord Jesus does give.

C Am D  
A life of elevation

Em G D<sup>7</sup> G  
through Him we shall live.

Em D G  
With joy we are singing

Em Bm G D  
hosanna's sweet song.

G C Am D  
To His hand we're clinging

Em G D<sup>7</sup> G  
as we sail along.
