Jesus Freak

Verse
my sins are forgiven
in gods will is where I'm living
gonna make my home
eternally in heaven
the word of God
is my source of direction
untouchable to the enemy
I'm under heavenly protection
a song in my heart
2 steppin to a gospel beat
God calls me his child
I call myself
a Jesus freak
I get excited for the future
and the plans he has in store
I know he'll keep me safe
from the enemy
just like he's always done before
when I'm not strong enough
he says lean on me
faith means believing in what we can't see
when Im lost
I know in him I'm found
he picks me
brushes me off
and sets my feet
on solid ground

Verse
a song in my heart
2 steppin to a gospel beat
God calls me his child
I call myself
a Jesus freak

Verse
his direction is specific
this is what God says
love as I love
and forgive as I forgive
be a light that shines
for the world to see
when they look at you
let them see me
when your feet are tired
and the journey doesn't stop
lift your head up child
for your battles been fought

Verse
a song in my heart
2 steppin to a gospel beat
God calls me his child
I call myself
a Jesus freak

Verse
he goes before us
and prepares the way
promises to guide us
he will always walks beside us
goes before and behind us

Verse
a song in my heart
2 steppin to a gospel beat
God calls me his child
I call myself
a Jesus freak
