

Our Tears Are Falling

Verse

Our tears are falling like the rain.
Our sorrow comes with crushing pain.
Our hearts are broken on the ground.
we ask, "where can our hope be found?"

Verse

God gives us faith to see a day
when sorrow will be washed away,
a vision of a better place,
where love will rule, it's all grace.

Verse

Our fragile lives, so much unknown,
we trust in God to bring us home.
It's in the Lord, our hope is found,
we lift our eyes, we're glory bound!
