

Christ Died and 'Rose...

Verse

Chasing the wind, trying to hang on.
This life will soon be over "in a song."
Christ died and 'rose, O Christ will come again!
His treasured kingdom stands, it never ends.

Verse

The Father's love the only thing that lasts.
It changes lives, an anchor holding fast.
Christ died and 'rose, O Christ will come again!
To Him be glory, praise Him without end.

MyHymnary #1180 - Christ Died and 'Rose...
Tune: TOULON , Louis Bourgeois, 1551
(God of the Prophets)

Verse

Saints go before us, showing us the way.
Hope for the future, and a better day.
Christ died and 'rose, O Christ will come again!
God always with us, sing forever, amen!
