Treasure

Verse
The treasure of God's love,
the shadow of His wings,
they calm my darkest doubts and fears,
and help my heart to sing.

Verse
To feast in God's own house,
and drink His very best,
gives comfort to my heart and soul,
in Him I find my rest.

Verse
As living waters flow,
God gives me light to see,
it guides me down life's narrow path,
and sets my spirit free.

Verse
The greatest love is God's.
It fills the earth and sky.
In Him I place my hope and trust.
He is the Lord Most High.
