

# A Father's Love

## *Verse*

We are broken. We are burdened.  
Lord, we come to You in need.  
Lost in darkness, and unworthy  
from our sin we must be freed.  
Alleluia, there's a Savior!  
In His love, God sends His Son.  
Lives are changed, sin forgiven.  
Praise the Lord! Love has won!

## *Verse*

By His grace and tender mercy,  
all our sins are washed away.  
Lives redeemed and restored,  
we are brought to a new day.  
Alleluia, there's a Savior!  
We are children of the King!  
Alleluia, love no greater!  
Worship God, His praises sing!
