

# Justified by the grace of God

## *Verse*

Justified by the grace of God.  
How he came down to bear all our load,  
to reconcile all the world.  
Jesus christ, the Word, becomes flesh  
to win for all sinners righteousness.  
The author of our forgiveness.  
He takes the laws demands  
and for our sins was damned  
all by free grace.  
Our pascal lamb-  
the God in man  
willingly takes the sinner's place.

## *Verse*

Justified by the works of Christ  
by which he procured eternal life.  
He's quelled the fire of sin's strife.  
He's risen. Our sins forgiven.  
His works have made full satisfaction  
to complete sinners' redemption.  
His works have satisfied  
the wrath of God on high.  
It is finished.  
His works alone  
fully atoned.  
Our redemption is accomplished.

## *Verse*

Justified by faith in Jesus,  
we have for ourselves His righteousness  
and we have the full forgiveness.  
Faith receives, to Jesus' works cleaves.  
And now the Father no longer sees  
our wickedness, our sins, misdeeds;  
But sees his holy Son  
and all that He has done.  
Faith in Jesus  
takes what he won  
for everyone:  
His mercy robe of righteousness. Amen.
