

God is My God, Forevermore

Verse

I'm troubled Lord, can't find my way.
Please bring me to a better day.
While on this road, I need a light,
a savior from this darkest night.

Verse

I'm empty Lord, I can't go on.
I feel like grief and loss have won.
But You stay faithful, always near.
Your promises speak to my fear.

Verse

O Father, hold me in Your hands,
give grace, help me to understand,
when I accept what is Your will,
the storms are calm, the winds are still.

Verse

Some day in glory, I will stand,
part of the Lord's amazing plan.
I am redeemed, I am restored.
God is my God forevermore.
