

Send a Savior

Verse

Dark cloud gather, winds are blowing,
waves are crashing all around.
Lift us up Lord. Send a savior.
Set our feet on solid ground.
Jesus, Savior. He is with us;
He's the Truth, the Way, the Light.
Walk with Jesus, on this journey,
He will guide you day and night.

Verse

Where is mercy? Where is kindness?
Help us Lord, we need Your grace.
Send a savior, to transform us,
bring us to a better place.
Jesus, Savior. He is with us;
He's the Truth, the Way, the Light.
Walk with Jesus, on this journey,
He will guide you day and night.

Verse

Overwhelmed Lord, and conflicted,
send a savior, help us through.
In our living and our dying,
may we put our trust in You.
Jesus, Savior. He is with us;
He's the Truth, the Way, the Light.
Walk with Jesus, on this journey,
He will guide you day and night.
