

Justified am I by your grace

Verse

Justified am I by Your grace,
in that you gladly took my place
under the law you did author,
to keep it perfect and suffer.

Verse

Through your merits I am redeemed.
Your works alone mended the seam.
From your cross to resurrection
You have made full satisfaction.

Verse

Through faith alone I do receive
the mercy you have won for me.
Your righteousness now mine to wear,
and I am now declared your heir. Amen.

Verse

Tune: Lord keep us steadfast in thy word
