

Redeemed and reconciled

Verse

Redeemed and reconciled
by the grace of God so mild.
My sins indeed are many,
I cannot atone for me.
My works could never suffice
to merit eternal life.

Verse

Jesus Christ took our nature,
decreed the promised savior.
All the Law and sin's wages
he endured for all ages.
He brought us back to favor
once and for all, forever.

Verse

Grace came down to take our place,
to atone the human race.
His Redemptive Works fulfilled
all the Law and God's wrath stilled.
Declared righteous for His sake;
I receive it just by Faith.

Verse

All our sins are forgiven,
Jesus' blood has covered them.
All for His sake, God decrees
all of the world "Not Guilty"!
Through faith it is all made mine,
faith receives His works divine.

Verse

With the apostles, prophets,
we sing His grace and merits.
The fulfillment of promise,
marked with the name of Jesus.
There is no condemnation
who trust Him for salvation. Amen.
