

Earth be of the greatest cheer

Verse

Earth be of the greatest cheer!
Your sins are forgiven here
regardless of what they are
or as countless as the stars.

Verse

Jesus has taken them all,
reconciled and absolved.
His blood and obedience
brought us peace and righteousness.

Verse

All forgiven for His sake.
Faith does not merit, but takes
all the spoils and the grace
of the Lamb who took our place.

Verse

What a marvel to behold,
how He forgave all the world.
As he healed folks from their woes
so much more done for our souls.

Verse

Just as all the world did sin,
to the same His grace extends.
This worth more than power, gold.
My redeemed soul praise the Lord.

Verse

So be of the greatest cheer,
the risen Savior's sincere.
All of the work has been done.
All I need is God the Son! Amen.
