

# I Give You The Praise

## *Verse 1*

It's because of you O Lord,  
That I'm standing here right now,  
After all the storm and rain.

## *Chorus*

I give you the praise,  
For turning darkness into light,  
For everything good that's in my life.  
I give you the praise,  
For turning darkness into light,  
So I can lift my hands right now.

## *Verse 2*

Couldn't see the light of day,  
Because of troubles in my way,  
But you guided me into the right path.

## *Bridge*

I couldn't have done it all alone,  
It's because of you Lord that I made it through.  
Give God the credit,  
Because he can do for you, what no one else can do.  
Give thanks for blessings,  
Because he made it possible when it seemed impossible.

## *Chorus*

I give you the praise,  
For turning darkness into light,  
For everything good that's in my life.  
I give you the praise,  
For turning darkness into light,  
So I can lift my hands right now.
