

# O Lord of Life, Where'er They Be

## Verse

O Lord of life, wher - e'er they be,  
All souls are Thine, and here or there  
Your word is true, Your ways are just;  
Hap - py are they in God who rest,

Safe in Thine own eter - ni - ty,  
They rest with - in Thy shel - tering care;  
A - bove the chant - ed "Dust to dust"  
No more by fear and doubt op - pressed;

Our dead are liv - ing un - to Thee:  
One prov - i - dence a - like they share:  
Shall rise our song of grate - ful trust:  
Liv - ing or dy - ing, they are blest:
