

The Blessedness of Saints, and Misery of Sinners

Verse

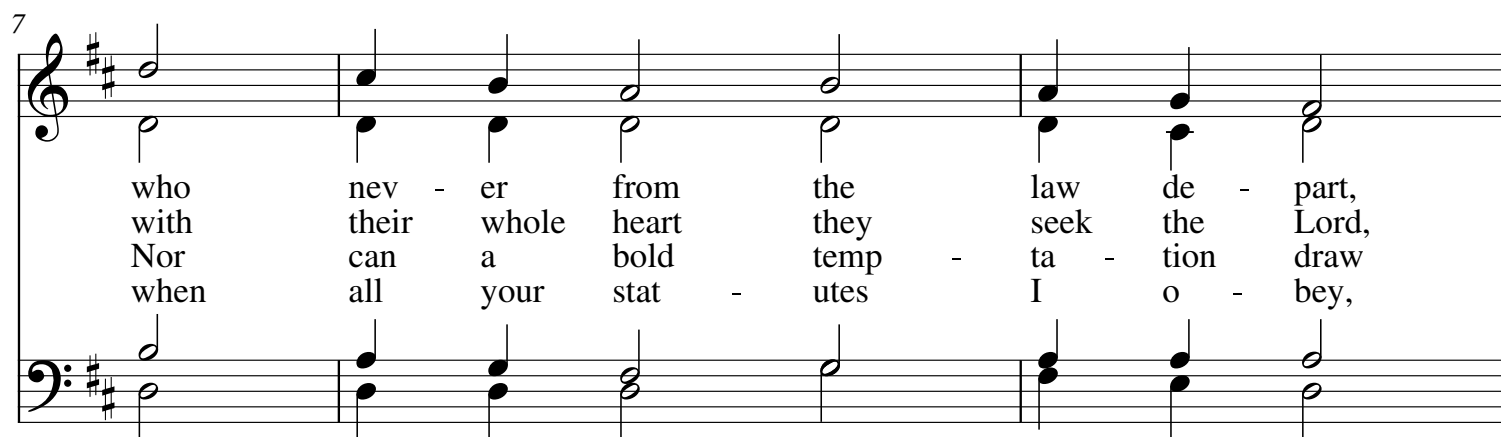

Blest are the un - de - filed in heart,
Blest are the men who keep your word
Great is their peace who love your law;
Then shall my heart have in - ward joy,

4

whose ways are right and clean,
and prac - tice your souls a - - mands;
how firm their face a - - bide!
and keep my face from shame,

7

who nev - er from the law de - part,
with their whole heart they seek the Lord,
Nor can a bold temp - ta - tion draw
when all your stat - utes I o - bey,

10

but fly from ev'ry sin.
and serve you with their hands.
their stead - y feet a - side.
and hon - or all your name.
