

Christ, from Whom All Blessings Flow

Verse

Christ, from whom all blessings flow,
Join us, in one spirit, join,
Move and ac - tu - ate and guide,
Love, like death, hath all de - stroyed,

per - fect - ing the saints be - low, hear us, who thy na - ture share,
let us still re - ceive of thine; still for more on thee we call,
di - verse gifts to each di - vide; placed ac - cord - ing to thy will,
ren - dered all dis - tinc - tions void; names and sects and par - ties fall;

who thy mys - tic bod - y are.
thou who fill - est all in all.
let us all our work ful - fill;
thou, O Christ, art all in all!
