

## **Our Tears are Falling**

Revelation 21: 1-4

Our tears are falling like the rain.  
Our sorrow comes with crushing pain.  
Our hearts lay broken on the ground.  
We ask, "where can our hope be found?"

God gives us faith to see a day  
when sorrow will be washed away,  
a vision of a better place,  
where love will rule, it's all grace.

Our fragile life, so much unknown,  
we trust in God to bring us home.  
It's in the Lord, our hope is found,  
we lift our eyes, we're glory bound!
