

Change Our Hearts....

*Our brokenness is on display,
Lord, bring us to a better day.
Self-centeredness, we must confess.
We wander Lord, no peace or rest.*

*Give eyes to see, give ears that hear.
Please walk with us. We need You near.
To live for You, (all we should be,)
Lord, change our hearts and set us free.*

*Deliver us and shine Your light,
Please, help us through the dark of night.
Give us the grace to find a path
that leads us to a life that lasts.*
