

## **God is My God, Forevermore**

*I'm troubled Lord, can't find my way.  
Please bring me to a better day.  
While on this road, I need a light,  
a savior from this darkest night.*

*I'm empty Lord, I can't go on.  
I feel like grief and loss have won.  
But You stay faithful, always near.  
Your promises, speak to my fear.*

*O Father hold me in Your hands  
give grace, help me to understand,  
when I accept what is Your will  
the storms are calm, the winds are still.*

*Some day in glory I will stand,  
part of the Lord's amazing plan.  
I am redeemed, I am restored.  
God is my God, forevermore!*
