

Send a Savior

*Dark clouds gather, winds are blowing,
waves are crashing all around.
Lift us up, Lord. Send a savior.
Set our feet on solid ground.
Jesus, Savior. He is with us;
He's the Truth, the Way, the Light.
Walk with Jesus, on this journey,
He will guide you day and night.*

*Where is mercy? Where is kindness?
Help us Lord, we need Your grace.
Send a savior, to transform us,
bring us to a better place.
Jesus, Savior. He is with us;
He's the Truth, the Way, the Light.
Walk with Jesus, on this journey,
He will guide you day and night.*

*Overwhelmed, Lord, and conflicted,
send a savior, help us through.
In our living and our dying,
may we put our hope, in You.
Jesus, Savior. He is with us;
He's the Truth, the Way, the Light.
Walk with Jesus, on this journey,
He will guide you day and night.*
